The PA Traffic Injury Prevention Project funded by the Pennsylvania Department of Transportation is hosting a School Transportation Webinar on Wednesday, March 22, 2017.

To register, complete the registration form and send to Angela at aosterhuber@paaap.org or Fax to 484-446-3036.

“Legal Issues in Transportation of Students With Special Needs”

Wednesday, March 22 2017 from 12:15 pm—1:30 pm

KIMBERLY COLANNA, MCNEES WALLACE & NURICK LLC, Chair of Education Law Group and practices in the Litigation Group

Moderator: John Zimmerman, Driver Qualifications Section Manager, Bureau of Driver Licensing, Driver Safety Division, PA Department of Transportation, Driver and Vehicle Services

Learning Objectives:

♦ Discuss the legal requirements related to the transportation of persons with disabilities.
♦ Identify necessary training for drivers of students with special needs to perform their duties safely and legally.
♦ Discuss behavior management techniques and health services that drivers of students with special needs can be requested to implement to promote the safety of students during transportation.
♦ Discuss examples of how to reduce the risk of potential harm and legal liability for individuals and agencies that transport students with disabilities.

This Webinar has been pre-approved as an on-line educational session to meet the Community Education CPS re-certification requirement.

Webinar link and dial in number will be emailed prior to the event.
